Re: Updated Disproportionate Share Hospital Data Summary Schedule for the Medicaid State Plan rate year ended September 30, 2012

Dear Mr. Checketts:

We have performed procedures to assist the State of Utah with its compliance with the six verifications outlined in the "Medicaid Program; Disproportionate Share Hospital (DSH) Payments, Final Rule – 42 CFR Parts 447 and 455" for the Medicaid State Plan rate year ended September 30, 2012; and have issued our reported dated September 28, 2015.

The Data Summary Schedule submitted as part of our original report for the Medicaid State Plan rate year (SPRY) ended September 30, 2012, did not reflect the subsequent redistribution of DSH payments to hospitals. We have been provided with a redistribution schedule by personnel within the division. The accompanying Exhibit 1 presents an updated Hospital Data Summary Schedule for the Medicaid SPRY ending September 30, 2012, including subsequent redistributions. See Column 17 of the attached schedule for the final DSH payment amounts made to hospitals after any redistributions.
